Executive Secretary, CIA Career Service Board

12 May 1953

Chairman, GSO Career Service Board

Report of the Professional Selection Panel

1. Reference memorandum dated 29 April 1953 from the Chairman, CIA Career Service Board, Subject: "Process of Selecting New Career Employees".

2. Apparently the terms "career employees" and "career staff" are considered to be synonymous, although the use of the two terms indicates that there may be some distinction. Also, it is my feeling that paragraph 3d(2) of the report of the Professional Selection Panel dated 17 April 1953 requires clarification.

3. Other than the comments above, this Office concurs in the proposal as originally prepared.
